

## CURRICULUM VITAE

**E. Haavi Morreim**

December, 2009

**Address:** College of Medicine, Univ. of Tennessee  
956 Court, Suite G212  
Memphis, TN 38163  
(901) 448-5725; 901-448-1291 (fax)

### **Education:**

- 2005-2009 J.D., *magna cum laude*; University of Memphis School of Law, Memphis, TN
- 1976-1980 Ph.D., University of Virginia, Charlottesville, VA; philosophy;  
AoS: philosophy of law; dissertation: *Freedom and Expression*
- 1974-1976 M.A., University of Virginia, Charlottesville, VA; philosophy;  
thesis: *Moral Rights*
- 1968-1972 B.A., St. Olaf College, Northfield, MN; philosophy

### **Academic Appointments:**

- 1993- Professor, Department of Human Values and Ethics, College of  
Medicine, University of Tennessee, Memphis, Tennessee.
- 1998- 2006 Professor (joint appointment), Division of Health Services and Policy Research,  
Department of Preventive Medicine, College of Medicine, University of  
Tennessee, Memphis
- 1988-1993 Associate Professor, Department of Human Values and Ethics, College of  
Medicine, University of Tennessee, Memphis, Tennessee.
- 1984-1988 Assistant Professor, Dept of Human Values & Ethics, College of Medicine,  
University of Tennessee, Memphis
- 1982-1984 Assistant Professor of Philosophy in Medicine, School of Medicine,  
University of Virginia, Charlottesville, VA.
- 1983 Andrew W. Mellon Visiting Assistant Professor of Humanities and  
(Jan-May) Medicine, Georgetown University School of Medicine, and  
Senior Visiting Research Scholar, Kennedy Institute of Ethics,  
Georgetown University; Washington, D.C.
- 1980-1982 Medical Philosopher, Program in Human Biology and Society; University  
of Virginia School of Medicine; Charlottesville, VA.

1982 (Jan) Visiting Professor of Philosophy, St. Olaf College; Northfield, MN

**PROFESSIONAL MEMBERSHIPS:**

Member, Clinical Leadership Council, SharedHealth (2007 - )  
Member, Board of Directors, International Association of Medical Colleges (2010 - )  
Member, Board of Directors, Association of Women Attorneys (2010 - )  
Chair, Independent Patient Advocacy Council, AbioCor Artificial Heart Trials  
(2001 -2005)  
American Society for Bioethics and Humanities (ASBH)

Morreim EH. Holding Health Care Accountable: Law and the New Medical Marketplace. New York:  
Oxford University Press, 2001.

Morreim EH. Balancing Act: The New Medical Ethics of Medicine's New Economics. Dordrecht:  
Kluwer Academic Publishers, 1991.  
Republished in paperback, Georgetown University Press, 1995.

## **PUBLICATIONS: Chapters of Books:**

Morreim EH. A matter of obligation: Physicians versus clinical investigators. Cherry MJ, Iltis A, eds.  
Bioethics: Pluralistic Casuistry. Dordrecht: Springer Publishers, 2007; 149-165.

Morreim EH. Ties without tethers: Bioethics-corporate relations in the AbioCor artificial heart trial.  
Cohn F, Eckenwiler LA, eds. The Ethics of Bioethics: Examining the Moral Landscape. Baltimore: Johns  
Hopkins University Press, 2007; 181-190.

Morreim EH. Medical errors: Pinning the blame versus blaming the system. In: Accountability: Patient  
Safety and Policy Reform. Sharpe VA, ed. Washington DC: Georgetown University Press, 2004; 213-232.

Morreim EH. Conflict of interest. In: Encyclopedia of Bioethics, 3rd edition, Stephen G. Post, ed. New  
York: Macmillan Reference USA; 2004; 503-508

Morreim EH. Quality of life in health care allocation. In: Encyclopedia of Bioethics, 3rd edition, Stephen  
G. Post, ed. New York: Macmillan Reference USA; 2004; 1394-1397

Morreim EH. Back to the future: from managed care to patient-managed care. In: The Ethics of  
Managed Care: Professional Integrity and Patient Rights. Bondeson WB, Jones JW, editors. Dordrecht:  
Kluwer Academic Publishers, 2002; 139-162.

Morreim EH. Alternative health care: limits of science and boundaries of access. In: Health Care and  
Social Justice. Rhodes R, Silver A, Battin, MA, editors. New York: Oxford University Press, 2002;  
319-344.

Morreim EH. Sticks and carrots and baseball bats: economic and other incentives to modify health behavior. In: *Managing Health Behavior: Ethical Dilemmas in Health Promotion and Disease Prevention*. Daniel Callahan, editor; Georgetown: Georgetown University Press; 2000; 56-75.

Morreim EH. Saving lives, spending money: shepherding the role of technology. In: *Ethical Issues in Health Care on the Frontiers of the Twenty-First Century*. Wear S, Bono JJ, Logue G, McEvoy A, editors; *Philosophy and Medicine Series*; Dordrecht: Kluwer Academic Publishers, 2000; 65-112.

Morreim EH. Coverage of emergency services. In: *Ethical Challenges in Managed Care: A Casebook*. Gervais KG, Priester R, Vawter DE, Otte KK, Solberg MM, eds. Washington, DC: Georgetown University Press, 1999; 36-41.

Morreim EH. At the intersection of medicine, law, economics, and ethics: the art of intellectual cross-dressing. In: *Perspectives on Philosophy in Medicine*. *Philosophy and Medicine Series*, vol. 50; Carson RA, Burns CR, eds. Dordrecht: Kluwer Academic Publishers, 1997; 299-325.

Morreim EH. Medicine's monopoly: from trust-busting to trust. In: *Reading Engelhardt, B Minogue, G Palmer-Fernandez, and JE Reagan eds*. Dordrecht: Kluwer Academic Publishers, 1997, pp. 45-75.

Morreim EH. Conflicts of interest for physician entrepreneurs. In: *Conflicts of Interest in Clinical Practice and Research*, edited by David S. Shimm, Roy G. Spece, and Alan Buchanan; London: Oxford University Press, 1996, pp. 251-285.

Morreim EH. Conflict of interest. In: *Encyclopedia of Bioethics*, 2nd edition, edited by Warren Thomas Reich; New York: Simon & Schuster MacMillan, 1995; Volume 1, 459-465.

Morreim EH. Quality of life in health care allocation. In: *Encyclopedia of Bioethics*, 2nd edition, edited by Warren Thomas Reich; New York: Simon & Schuster MacMillan, 1995; Volume 3, 1358-1361.

Morreim EH. Ethical issues in scope of practice. In: *Proceedings of the Orthodontic Educational Development Symposium*, edited by W.E. Roberts, R.A. White, W.C. McGaghie. St. Louis: American Association of Orthodontists, 1994, 104-112.

Morreim EH. Rationing and the law. In: *Rationing America's Medical Care: The Oregon Plan and Beyond*. M.A. Strosberg, J.M. Wiener, R. Baker, and I.A. Fein, eds. Washington, D.C.: Brookings Institution, 1992, 159-184.

Morreim EH. Competence: At the intersection of law. *Medicine and Philosophy*. In: *Competency: A study of informal competency determinations in primary care*. Cutter MAG, Shelp E, eds. Dordrecht: Kluwer Academic Publishers, 1991: 93-125.

Morreim EH. The very low birth weight fetus: Ethical considerations in obstetric management. In: *etal Diagnosis and Therapy: Science, Ethics, and Law*. Evans M, Fletcher J, Dixler A, Schulman J, eds. Philadelphia: J.B. Lippincott Co, 1989: 233-242.

Morreim EH. Computing the quality of life. In: *The price of health: Cost benefit analysis in medicine*. Agich G, Begley C. Dordrecht: D. Reidel Pub. Co, 1986: 45-69.

**PUBLICATIONS: Journal Articles:**

Morreim EH. The devil in the detail(ing). *American Journal of Bioethics* 2010; 10(1): 15-17.

Morreim EH. The dirty little truth: We want them to understand, but not really.... *American Journal of Bioethics* 2009; 9(2): 9-11.

Morreim EH. High-deductible health plans: Litigation hazards for health insurers. *Health Matrix* 2008; 18(1): 1-64.

Morreim EH. The sex kitten of bioethics? Research ethics comes of age. (letter) *Hastings Center Report* 2008; 38(5): 4-5.

Morreim EH. Consumer-defined health plans: Emerging challenges from tort and contract. *Journal of Health Law* 2006; 39(3): 307-348.

Morreim EH. When research ethics meets business ethics: the AbioCor artificial heart trial. *Organizational Ethics: Healthcare, Business, and Policy* 2006; 3(1): 40-45.

Morreim EH, Mack MJ, Sade RM. Surgical innovation: Too risky to remain unregulated? *Annals of Thoracic Surgery* 2006; 82: 1958-1961.

Morreim EH, Webb GE, Gordon HL et al. Innovation in human research protection: The AbioCor artificial heart trial. *The American Journal of Bioethics* 2006; 6(5): W6-W16.

Morreim EH. High-deductible health plans: New twists on old challenges from tort and contract. *Vanderbilt Law Review* 2006; 59: 1207-1261.

Morreim EH. End-stage heart disease, high-risk research, and competence to consent: the case of the AbioCor artificial heart. *Perspectives in Biology and Medicine* 2006; 49(1): 19-34.

Morreim EH. The clinical investigator as fiduciary: Discarding a misguided idea. *Journal of Law, Medicine & Ethics* 2005; 33(3): 586-598.

Morreim EH. Surgically implanted devices: Ethical challenges in a very different kind of research. *Thoracic Surgery Clinics* 2005; 15(4): 555-563.

Morreim EH. Civil disobedience: the devil is in the details (letter). *Hastings Center Report* 2005; 35(4): 4.

Morreim EH. Another kind of end-run: Status upgrades. *American Journal of Bioethics* 2005; 5(4): 11-12.

Morreim EH. Cardiovascular research and subject advocates. *Law and Bioethics Report* 2005; 4(3): 4-5.

Morreim EH. Research versus innovation: Real differences. *American Journal of Bioethics* 2005; 5(1): 42-43.

Morreim EH. Clinical trials litigation: practical realities as seen from the trenches. *Accountability in Research* 2005; 12(1): 47-64.

Morreim EH. Beyond the lies: Solving the problem. *American Journal of Bioethics* 2004; 4(4): 61-63.

Morreim EH. About face: Downplaying the role of the press in facial transplantation research. *American Journal of Bioethics*; 2004; 4(3): 27-29.

Morreim EH. By any other name: the many iterations of 'patient advocate' in clinical research. *IRB: Ethics & Human Research* 2004; 26(6): 1-8.

Morreim EH. Litigation in clinical research: Malpractice doctrines versus research realities. *Journal of Law, Medicine and Ethics*; 2004; 32(3): 474-484.

Morreim EH. High-profile research and the media: the case of the AbioCor artificial heart. *Hastings Center Report*; 2004; 34(1): 11-24.

Morreim EH. Medical research litigation and malpractice tort doctrines: courts on a learning curve. *Houston Journal of Health Law and Policy*; 2003; 4(1): 1-86.

Excerpts to be reprinted in: Coleman CH, Dubler NN, Goldner JA, Menikoff JA, eds. *The Ethics and Regulation of Research with Human Subjects*. Newark: LexisNexis Matthew Bender & Co., Inc.; 2005 (forthcoming).

Morreim EH. Clinical Trials Litigation: Courts in Confusion. *Medical Research Law & Policy (BNA)* December 17, 2003; 2(24): 908-910

Morreim EH. Bioethics and the Press. *Journal of Medicine and Philosophy* 1999; 24(2).

Bioethics and the Courts; editor; *Journal of Medicine and Philosophy* 1997; 22(4).

Ethical Issues in Managed Care; co-editor, with Michael Henderson; *Managed Care Medicine* 1(6), November/December, 1994.

Oregon: The Limits of Health Care; co-editor, with Ken Schaffner; Journal of Medicine and Philosophy 19(5), 1994.

Ethics and Alternative Health Care Systems; editor; The Journal of Medicine and Philosophy 17(1), February, 1992.

**INVITED LECTURES (partial listing, since 1999 only):**

"Gaming the System: Dodging the Rules, Ruling the Dodgers"; lecture; conference on "Hot Topics in Health Care"; sponsored by Healthcare Fraud Working Group, U.S. Department of Justice, Western District of Tennessee; Memphis, TN; November 2009.

"How Far Shall We Go? Medical Care at the End of Life"; lecture; annual meeting, National Elder Law Attorneys Association; Washington, D.C.; April 2009.

"Conflicts of Interest in Cardiovascular Research"; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; Birmingham, AL; April 2009.

"The Patient/Subject Advocate in Cardiovascular Research ; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; Dallas, TX; October 2008.

"Informed Consent: Digging Into the Realities"; lecture for Chief Medical Officer Lecture Series; sponsored by Quintiles Corp.; Research Triangle Park NC; July 2008.

"The Patient/Subject Advocate in Cardiovascular Research ; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; Tucson, AZ; May 2008.

"Research versus Practice," lecture; Spring 2008 Clinical Research Compliance Symposium, sponsored by Arkansas Children's Hospital Research Institute; Little Rock, Arkansas; February 2008.

"The Patient/Subject Advocate in Cardiovascular Research ; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; Dallas, TX; February 2008.

"What Duties of Care and Caring do Researchers Owe Their Subjects", panel lecture; 2007 Annual Human Research Protection Programs conference, sponsored by Public Responsibility in Medicine & Research (PRIM&R); Boston, Massachusetts; December, 2007.

"Caught in the Cross-Hairs: Litigation in Clinical Research"; lecture; conference on "Human Subject Protection: The Long and Winding Road", sponsored by Schulman Associates IRB; Covington, Kentucky; October 2007.

"The Patient/Subject Advocate in Cardiovascular Research ; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; San Diego, California; October 2007.

"The New Medical Ethics of Medicine's New Economics"; lecture; Forum on "The Cost of Health: Physiopathology of a Business"; sponsored by Universidad Javeriana; Bogota, Colombia; August, 2007.

"When Patients Pay: New Opportunities ... for Litigation"; lecture; Grand Rounds, William Beaumont Hospital; Royal Oak, Michigan, and Troy, Michigan; July, 2007.

"Assisting Research Participants in High-Risk, High-Profile Research"; lecture; International Conference on "Public Trust and Research in Humans," sponsored by The Forum for Institutional Review Boards/Research Ethics Boards in Canada and the United States (FOCUS); Ottawa, Canada; June, 2007.

"The Patient/Subject Advocate in Cardiovascular Research ; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; Seattle, Washington; May 2007.

"Case Studies in Cardiovascular Research"; panel; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; San Francisco, California; February, 2007.

"Conflicts of Interest in Cardiovascular Research"; lecture; conference on "Social, Ethical and Legal Considerations for Cardiovascular Research", sponsored by project on Cardiovascular Disease Research Ethics [CADRE]; Chicago, Illinois; November, 2006.

"A 'Bubble Boy' and a Heroic Dentist: How Bioethics Met the Media in the 1970s and 1980s"; panel; American Society for Bioethics and Humanities Annual Meeting; Denver, Colorado; October, 2006.

"Consumerism/Cost Pressures/CDHP crisis"; lecture; HRH MCO Roundtable: "Business Trends and the MCO Risk Profile", sponsored by Hilb Rogal & Hobbs; Atlanta, Georgia; July, 2006.

"Conflict of Interest"; lecture; course sponsored by Cardiovascular Disease Research Ethics ("CADRE") Program, funded by National Institutes of Health; Houston, Texas; May, 2006.

"How Consumer-Driven Health Care is Shaping the Health Care Landscape"; lecture; Law Conference for Health Plans, Insurers, and Providers, sponsored by American Health Lawyers Association and by America's Health Insurance Plans; Amelia Island, Florida; May, 2006.

"The Socioeconomic Ethics of Treating End-Stage Heart Disease"; lecture; annual symposium of the Oregon Chapter of the American College of Cardiology; Portland, Oregon; May, 2006.

"Research Subject Advocacy: A Case Study"; lecture, General Clinical Research Centers national meeting; co-sponsored by Society of Research Subject Advocates; Washington, D.C.; March, 2006.

"Issues in Research Ethics"; guided discussion for Stamford Hospital IRB; sponsored by Stamford Hospital; Stamford, Connecticut; March, 2006.

"'Patient' or 'Subject'? The Ethical Challenge in Clinical Research"; lecture; Research Club, sponsored by Departments of Surgery and Medicine, Stamford Hospital; Stamford, Connecticut; March, 2006.

"Protecting the Patient in Cutting-Edge Research: the AbioCor Artificial Heart Trial"; Nursing Grand Rounds, Stamford Hospital; Stamford, Connecticut; March, 2006.

"Surgical Innovation: Too Dangerous to Remain Unregulated?"; debate and paper presentation; 52nd Annual Meeting, Southern Thoracic Surgical Association; Orlando, Florida; November, 2005.

"On Prozac: Debating the New Technologies of Mind"; Choices and Challenges Series, sponsored by Virginia Tech University; Blacksburg, Virginia; November, 2005.

"Voice of the Customer"; panelist; conference on "Customer Relationship Management for the Bio/Pharmaceutical Industry"; sponsored by Center for Business Intelligence; Princeton, New Jersey; October, 2005.

"HSAs and the Emergence of the Active Patient-Consumer: A Pot Pouri of Potential Pitfalls"; paper presentation; "Law Professor Symposium on Medical Malpractice", sponsored by the Roscoe Pound Institute and Vanderbilt University Law School; Nashville, Tennessee; October, 2005.

"Research versus Practice"; lecture; conference on "Emerging Issues in Research with Human Subjects", sponsored by National Institute of Environmental Health Sciences; Research Triangle Park, North Carolina; September, 2005.

"How to Mentor Ethical Behavior"; lecture; conference on "Breaking the Barriers of Research: Mentoring and Human Subjects' Protection," sponsored by University of Arkansas Medical School and Office of Research Compliance; Little Rock, Arkansas; August, 2005.

"The Clinical Investigator as Fiduciary: Discarding a Misguided Idea"; lecture; annual Health Law Teachers conference, sponsored by American Society of Law, Medicine and Ethics; Houston, Texas; June, 2005.

"Ethical Issues in Research with Surgically Implanted Devices"; Charles W. Bodemer Lecture; University of Washington School of Medicine; Seattle, Washington; May, 2005.

"Building a Framework for Maintenance of Licensure"; panel presentation; annual meeting, "Serving the Public: Keeping the Trust," sponsored by Federation of State Medical Boards; Dallas, Texas; May, 2005

"Patient Advocates in High-Risk Studies"; lecture; conference on "Contemporary Issues in Clinical Research," sponsored by Dartmouth-Hitchcock Medical Center; Hanover, New Hampshire; April, 2005.

"Meaningful Informed COnsent in End of Life High-Risk Trials--Is it Possible?"; lecture; conference on "Contemporary Issues in Clinical Research," sponsored by Dartmouth-Hitchcock Medical Center; Hanover, New Hampshire; April, 2005.

Visiting Bioethics Scholar, Wake Forest University; lectures on: "Health Savings Accounts: the next (r)evolution in health care financing"; "High-risk research: can dying people be competent to consent?"; "Litigation in clinical research: Malpractice doctrines versus research realities"; "High-profile research and the media: drawing the line between publicity and public information" "Bonds of loyalty: why the

clinical investigator is not, and cannot be, fiduciary to the research subject"; Wake Forest University; Winston-Salem, North Carolina; March, 2005.

"Special Challenges in High-Profile Research"; keynote lecture; conference on "Responsible Research: Competing Interests in Clinical Trials" sponsored by Office of Human Subject Protections, University of Tennessee College of Medicine at Knoxville; Knoxville, Tennessee; February, 2005.

"Special Challenges in High-Profile Research"; keynote lecture; conference on "Responsible Research: Competing Interests in Clinical Trials" sponsored by Office of Human Subject Protections, University of Tennessee College of Medicine at Chattanooga; Chattanooga, Tennessee; February, 2005.

"Privacy and Confidentiality of Information"; Nigel Roberts Lecture in Healthcare Ethics, Preventive Medicine 2005 conference, sponsored by American College of Preventive Medicine and the American College of Medical Quality; Washington, D.C.; February, 2005.

"Patient Safety: Ethics"; panel lecture; Preventive Medicine 2005 conference, sponsored by American College of Preventive Medicine and the American College of Medical Quality; Washington, D.C.; February, 2005.

"Health Advocates in Research"; workshop lecture; Sarah Lawrence College; Yonkers, New York; January, 2005.

"Influence of Economics on Medical Decisions"; lecture; Medical Ethics Grand Rounds; Texas A&M College of Medicine; College Station, Texas; December, 2004.

"Economics, Ethics, and Medicine"; Medicine and Humanities Consultation; sponsored by Texas A&M College of Medicine; Salado, Texas; December, 2004.

"The Next (R)evolution in Health Care Finances: HSAs"; lecture; Medical Ethics Grand Rounds; Scott and White Medical Center; Temple, Texas; December, 2004.

"Litigation in Clinical Research"; lecture; 2004 Annual IRB Conference, sponsored by Public Responsibility in Medicine & Research (PRIM&R); San Diego, California October, 2004

"Evolving Economics, Ethical and Legal Challenges"; video interview; program series, "Condition Critical: Health Care in the United States"; St. Louis, Missouri; July, 2004

"Law, Health Care, and the Fine Art of Intellectual Cross-Dressing"; commencement address; Masters of Health Law program, Nova Southeastern University; Fort Lauderdale, Florida; July, 2004.

"Devices Ain't Drugs: Protecting Human Subjects in Medical Device Research"; lecture; Annual Bioethics Summer Retreat; Wintergreen, Virginia; June, 2004.

"Litigation in Clinical Trials: Lessons From the Trenches"; lecture; 28th Annual North American Conference and Exhibition, sponsored by Association of Clinical Research Professionals; San Diego, California; May, 2004.

"Investigators' Forum: Legal Challenges in Clinical Research"; lecture; 28th Annual North American Conference and Exhibition, sponsored by Association of Clinical Research Professionals; San Diego, California; May, 2004.

"Tales from the Trenches: Litigation in Clinical Research"; lecture; NorthWest Regional IRB Conference, sponsored by Oregon Health & Science University; Portland, Oregon; May, 2004.

"Artificial Heart Research at the End of Life: Is Anyone Competent to Consent?"; lecture; NorthWest Regional IRB Conference, sponsored by Oregon Health & Science University; Portland, Oregon; May, 2004.

"Who gives consent, patients or others, to participate in high-risk research, such as the AbioCor Artificial Heart?" and "The AbioCor Artificial Heart Project"; lecture; Hermanos Ameijeiras Hospital; Havana, Cuba; April, 2004.

"Anatomy of a Lawsuit: Practical Realities of Clinical Trials Litigation"; lecture; Fourth Annual Medical Research Summit; Baltimore, Maryland; April, 2004.

"The Role of Patient Advocates in Medical Research"; lecture; Fourth Annual Medical Research Summit; Baltimore, Maryland; April, 2004.

"Protecting the Patient in Cutting-Edge Research: the AbioCor Artificial Heart Trial"; lecture; University of Iowa School of Medicine; sponsored by University of Iowa Human Subjects Office; Iowa City, Iowa; March, 2004.

"The Special Twists of Device Research and Medical Innovation: Lessons from the AbioCor Artificial Heart Trial"; lecture; University of Iowa School of Medicine; sponsored by University of Iowa Human Subjects Office; Iowa City, Iowa; March, 2004.

"Litigation in Clinical Research Trials: Overview and Recommendations"; presentation and testimony; quarterly meeting of Secretary's Advisory Committee on Human Research Protections (SACHRP); Alexandria, Virginia; March, 2004.

"Tennessee Health Care Decisions Act"; testimony for House Judiciary Committee on SB2312; Tennessee State Legislature; Nashville, Tennessee; March, 2004.

"The Futility of Medical Necessity: Ensuring Access by Preserving Affordability"; lecture; Second Annual Policy Orientation Session for the Texas Legislature; sponsored by Texas Public Policy Foundation; Austin, Texas; January, 2004

"Litigation in Clinical Trials"; lecture; conference on Legal Issues Affecting Academic Medical Centers and Other Teaching Institutions, sponsored by American Health Lawyers Association; Washington, D.C.; January, 2004

"Patient Advocates in Research: A Case Study from Conception to Litigation and Back"; lecture; Forum on Preventing Liability Risk in Clinical Trials, sponsored by The Center for Business Intelligence; Philadelphia, Pennsylvania; December, 2003

"Practical Lessons for Avoiding/Reducing the Risk of Lawsuits: A Case Study of ABIOMED Litigation"; lecture; 2003 Annual IRB Conference, sponsored by Public Responsibility in Medicine & Research (PRIM&R); Washington, D.C.; December, 2003

"The Research Subject Advocate in High-Risk Clinical Research: Experiences and Insights from the AbioCor Artificial Heart Trial"; lecture; 2003 Annual IRB Conference, sponsored by Public Responsibility in Medicine & Research (PRIM&R); Washington, D.C.; December, 2003

"Medical Devices: A Different Twist on the Ethics and Law of Research Protections"; endowed lecture; Faegre & Benson Lecture Series on Law, Health & the Life Sciences, sponsored by University of Minnesota Consortium on Law and Values in Health, Environment & the Life Sciences; Minneapolis, Minnesota; December, 2003

"Caught in the Crosshairs: Emerging Litigation in Clinical Research"; lecture; Bioethics and Public Policy Seminar Series, sponsored by Institution for Social & Policy Studies, Yale University; New Haven, Connecticut; November, 2003

"Is Secret Science Good for Your Health? Research Subject Privacy Versus the Public's Right to Know"; lecture; Bioethics and Public Policy Seminar Series, sponsored by Institution for Social & Policy Studies, Yale University; New Haven, Connecticut; November, 2003

"Limiting Support in the Severely Disabled Child"; panel discussion; conference on "Advancing the Frontiers of Pediatric Emergency Care in Tennessee", sponsored by Children's Emergency Care Alliance and American Academy of Pediatrics; Memphis, Tennessee; September, 2003

"Ethics and Research with Human Subjects"; lecture; conference on "Blending Clinical Practice and Research: Forging Partnerships in the Rocky Mountain States to Enhance Drug Addiction Treatment"; sponsored by the National Institute on Drug Abuse (NIDA); Denver, Colorado; September, 2003

"I Don't Know What to Do: Futility, Hope, and the Land Between;" Grand Rounds lecture; Karmanos Cancer Institute; Detroit, Michigan; September, 2003

"Incentives to Improve Quality: Caveats and New Opportunities"; lecture; 27th Annual Health Law Teachers Conference, sponsored by American Society of Law, Medicine & Ethics; Wilmington, Delaware; June, 2003

"Beyond Managed Care: Can We Afford to Care for Our Children?"; lecture; conference on "Current Problems in Pediatric Therapy, XXIX"; sponsored by University of Oklahoma College of Medicine; Oklahoma City, Oklahoma; April, 2003

"Protecting Subject Privacy and Managing Media"; lecture; sponsored by 27th Annual North American Conference & Exposition, Association of Clinical Research Professionals; Philadelphia, Pennsylvania; April, 2003

"IPAC: Independent Patient Advocacy Council"; lecture; sponsored by 27th Annual North American Conference & Exposition, Association of Clinical Research Professionals; Philadelphia, Pennsylvania; April, 2003

"Consumer-Defined Benefits"; expert testimony, Texas State Health Care Expenditures Committee; Texas House of Representatives; Austin, Texas; April, 2003

"Big Brother Technologies"; panel discussion; Choices and Challenges Forum, sponsored by Virginia Polytechnic University; Blacksburg, Virginia; March, 2003

"Achieving Informed Consent in Innovative Research Trials"; lecture; IRB Grand Rounds, sponsored by Cedars-Sinai Medical Center; Los Angeles, California; March, 2003

"Litigation Involving Human Subjects in Research"; lecture; Third Annual Medical Research Summit; Washington, D.C.; March, 2003

"Snake Oil or Healing Balm?: Alternative Healthcare Meets Conventional Medicine"; lecture; Jacksonville University; Jacksonville, Florida; February, 2003

"Defined Contribution as an Approach to Consumer Empowerment;" lecture; 2003 Legislator Policy Orientation, sponsored by Texas Public Policy Foundation; Austin, Texas; February, 2003

Visiting Scholar, University of Texas Medical Branch, Institute for Medical Humanities; October and November (two months), 2002.

"When the Pursuit of New Technologies Drives Research: Special Concerns for IRBs on Novel Therapeutics;" plenary panelist; Annual IRB Conference, "Protecting Human Subjects: What's Best, What Works, What Doesn't?", sponsored by Public Responsibility in Medicine and Research (PRIM&R); San Diego, California; November, 2002.

"Money, Money, Money! IRB Policies on Financial Incentives, Including Finder's Fees and Bonus Payments"; workshop presentation; Annual IRB Conference, "Protecting Human Subjects: What's Best, What Works, What Doesn't?", sponsored by Public Responsibility in Medicine and Research (PRIM&R); San Diego, California; November, 2002.

"The Development of New Technologies: When Is Innovative Therapy Research, Does it Become Medical Practice, and When Do Human Subjects Protections Apply?"; workshop presentation; Annual IRB Conference, "Protecting Human Subjects: What's Best, What Works, What Doesn't?", sponsored by Public Responsibility in Medicine and Research (PRIM&R); San Diego, California; November, 2002.

"On the Cutting Edge: Ethical Issues in Surgery"; lecture; Fifth Annual Meeting, American Society for Bioethics and Humanities; Baltimore, Maryland; October, 2002.

"Medical Ethics for Healthcare Financial Administrators"; conference, "Strange Bedfellows in Strange Times," sponsored by Texas Association for Health Care Financial Administration, and Healthcare Financial Management Association Association; Austin, Texas; October, 2002.

"Emerging Litigation Issues in Clinical Research"; lecture, sponsored by Institute for Bioethics, Health Policy and Law, University of Louisville; Louisville, Kentucky; September, 2002.

"Informed Consent to Explantation: the AbioCor Artificial Heart Trial"; lecture and panel discussion; conference on "Medical Implant Information, Performance, and Policies", sponsored by NIH, FDA, and NIST; Gaithersburg, Maryland; September, 2002.

"Health Services Regulation: Controlling Quackery and Other Frauds"; lecture; Ninth Annual Pitts Memorial Lectureship on "Alternative Medical Systems: Here to Stay, but on What Terms?" sponsored by the Medical University of South Carolina; Charleston, South Carolina; September, 2002.

"Innovations in Research Ethics: the AbioCor Artificial Heart Trials"; keynote lecture; conference on "Institutional Review Boards: Fulfilling their Mission or Mission Impossible?" sponsored by the University of Cincinnati and Schulman Associates IRB; Cincinnati, Ohio; September, 2002.

"Defined Contribution: A Major Shift in Health Care's Evolution"; lecture; conference, "Health Care Task Force," sponsored by Texas Conservative Coalition; Austin, Texas; August, 2002

"Innovations in Human Subject Protection: the AbioCor Artificial Heart Trials"; conference on "Protecting Human Subjects: Safety, Welfare, and Privacy," sponsored by OHRP and the Fred Hutchinson Cancer Center; Seattle, Washington; August, 2002.

"Diverging Trends in ERISA and Provider Payment"; lecture; American Health Lawyers Association annual conference; San Francisco, California; July, 2002

Ethical Issues for Hospital Group Purchasing Organizations; task force, sponsored by Premier, Inc.; Santa Clara, California; June, 2002.

"Emerging Litigation Issues in Clinical Research"; paper; 26th Annual Health Law Teachers Conference, sponsored by American Society of Law, Medicine, & Ethics; Indianapolis, Indiana; June, 2002

"Persistent Challenges and Innovative Solutions to Truthful and Balanced Information for Research Participants"; lecture; Thirteenth Annual Intermountain Medical Ethics Conference, on "Doctoring the Truth: The Challenge of Truth-Telling in Medical Communication"; Salt Lake City, Utah; May, 2002.

"Corporate Ethics in Healthcare: From the Boardroom to the Bedside"; lecture; Darden School of Business, University of Virginia; Charlottesville, VA; April, 2002

"The AbioCor Artificial Heart Trials: At the Frontiers of Research Ethics"; lecture; University of Washington College of Arts and Sciences; Seattle, Washington, February, 2002.

"Creating Your Company's Code of Bioethics: The Why and the How;" lecture; Annual Conference, Business for Social Responsibility; Seattle, Washington; November, 2001.

"Turbulence and Adaptation: Ethics Meets Changing Delivery Structures"; plenary lecture; 2001 Quality Conference, "Health Plan Strategies with Clinical Impact", sponsored by American Association of Health Plans; Chicago, Illinois; October, 2001.

"Medical Necessity Decisionmaking: Future of Preemption and Coverage Implications"; lecture; symposium, "MCO Forum: The Ground is Moving Beneath Us," sponsored by Marsh U.S.A. HealthSpectrum; Chicago, Illinois; July, 2001

"Protecting Peer Review versus Disclosure and Reporting"; lecture; project on "Promoting Patient Safety: An Ethical Basis for Policy Deliberation," sponsored by the Hastings Center; Garrison, New York; July, 2001.

"Ethics in Research: Ideals to Realities"; lecture; forum on "Biotechnology and the Future of Healthcare," sponsored by College of Engineering, Georgia Tech University; Atlanta, Georgia; June, 2001.

"Ethical Issues in Case Management: Studies in Moral Problem-Solving"; 11th Annual Conference and Expo, Case Management Society of America; Nashville, Tennessee; June, 2001.

"Managed Care: Nightmare, Warfare, or Better Care?"; lecture; conference on "The Ethics of Managed Care: Professional Integrity and Patient Rights," sponsored by University of Missouri-Columbia School of Medicine; Kansas City, Missouri; May, 2001.

"The Twisted World of ERISA: The Mysterious Case of *Pegram* and the Missing Fiduciary"; keynote lecture; Physicians and Physician Organization Law Institute, sponsored by American Health Lawyers Association; Chicago, Illinois; April, 2001.

"Medical Necessity: The Ruse Comes Home to Roost"; lecture; policy forum on "The Politics of Managed Care: Second Opinions, New Options," sponsored by the Cato Institute; Washington, D.C.; April, 2001.

"Soaring Eagles, Circling Vultures: the Future of Managed Care"; lecture; Biotechnology Ethics and Policy Spring Speaker Series, Georgia Tech University; Atlanta, Georgia; April, 2001.

"How Courts Mangle Managed Care"; lecture; Biotechnology Ethics and Policy Spring Speaker Series, Georgia Tech University; Atlanta, Georgia; April, 2001.

"Medical Errors: Pinning the Blame vs. Blaming the System"; keynote lecture; Speas Colloquium on "Errors and Accountability in Health Care," sponsored by Carolinas Medical Center and Davidson College; Charlotte, North Carolina; March, 2001.

"Healthcare at Risk: Asking and Addressing the Tough Questions"; keynote lecture; 13th Annual National Managed Health Care Congress; Atlanta, Georgia; March, 2001.

"How Does Managed Care Manage Death?"; lecture; 13th Annual National Managed Health Care Congress; Atlanta, Georgia; March, 2001.

"Promoting Patient Safety: An Ethical Basis for Policy Deliberation"; working group sponsored by Hastings Center; Garrison, New York; February, 2001.

"Prescribing Under the Influence: Gifts to Doctors from Drug Companies, and their Implications for Patient Interests"; lecture; sponsored by the Markkula Center for Applied Ethics; Santa Clara University; Santa Clara, California; February, 2001.

"Confusion in the Courts"; lecture; College of Law; Santa Clara University; Santa Clara, California; February, 2001.

"Reinventing the Human: The Six Million Dollar Body;" panel; 20th Annual Choices and Challenges Forum; Blacksburg, Virginia; November, 2000.

"Professionalism in Medicine"; lecture; conference on "Understanding Professionalism and its Implications for Medical Education;" sponsored by Mount Sinai School of Medicine; New York, New York; November, 2000.

"Should Medical Insurance Coverage Be Dependent Upon a Research Participant's Willingness to Be Randomized?"; lecture; conference on "IRBs: Afloat in a Sea of Change"; sponsored by Public Responsibility in Medicine & Research; San Diego, California; October, 2000.

"Managed Care on Trial: A Moot Court Debate"; annual meeting, American Society of Bioethics and Humanities; Salt Lake City, Utah; October, 2000.

"Confusion in the Courts"; lecture; conference on Clinical Ethics for Practitioners," sponsored by The Center for Clinical Ethics, Summit Medical Center; Nashville, Tennessee; October, 2000.

"Contributive Justice"; lecture; 12th Annual Medical Ethics Conference, "Ethics, Economics and Justice in Healthcare: Are We Doing the Right Thing?" sponsored by Colorado Springs Osteopathic Foundation; Colorado Springs, Colorado; October, 2000.

"The Ethics of Balancing Cost and Quality: Contract Law, Informed Consent, and RICO"; lecture; American Society of Anesthesiologists, 2000 Annual Meeting; San Francisco, California; October, 2000.

"The Twisted World of ERISA: Untangling the Quality/Quantity Distinction"; lecture; Tennessee Bar Association's 12th Annual Health Law Forum; Nashville, Tennessee; October, 2000.

"Tissue Banking: Market Quirks and Market Solutions"; paper; project on "Ethical Issues in Tissue Banking", sponsored by Musculoskeletal Transplant Foundation et al.; Cleveland, Ohio; October, 2000.

"Ethical Aspects of the Variable Copayment System"; lecture; conference on "Innovations in Health Insurance: Variable Copayment-an Alternative to Risk Contracting", sponsored by the Massachusetts Medical Society; Boston, Massachusetts; September, 2000

"ERISA on the Ropes: Herdrich v. Pegram"; lecture; Twelfth Annual Bioethics Summer Retreat; Monterey, California; June 2000.

"Truth and Consequences: Moving Patients from the Periphery to the Center--a Response"; lecture; conference on "Error in Medicine: A Complex Sorrow", sponsored by University of California, Berkeley; Berkeley, California; May, 2000.

"Organizational Ethics in Healthcare: A Philosophical Perspective"; lecture; Eighth Annual Conference on Medical Ethics and Religion, sponsored by Bayer Learning Center, Duquesne University; Pittsburgh, Pennsylvania; May, 2000.

"Tactics and Politics: Teaching Humanities in the Clinical Setting"; lecture; conference on "The Humanities in Medical Education," sponsored by the University of South Carolina Center for Bioethics; Columbia, South Carolina; April, 2000.

"Alternative Medicine: Passing Fancy or Wave of the Future?" lecture; Second Annual National Undergraduate Bioethics Conference, sponsored by the University of Virginia; Charlottesville, Virginia; March, 2000.

"Ethics: The Delicate Balance Between Public Health and the Individual"; lecture; Prevention 2000, the Seventeenth Annual Meeting of the American College of Preventive Medicine, and the Association of Teachers of Preventive Medicine; Atlanta, Georgia; March, 2000.

"Ethical Issues in Managed Care"; lecture; Symposium on Critical Care and Emergency Medicine, sponsored by University of Tennessee College of Medicine and by University of Arkansas for Medical Sciences; Hot Springs, Arkansas; March, 2000.

"Healthcare Crisis: Who Decides?"; interview; February, 2000; for PBS television documentary, to be aired June 8, 2000.

"Ethical Challenges for OPO Financial Administrators"; lecture, case discussion; Annual Fall Forum, Association of Organ Procurement Organizations; San Antonio, Texas; November, 1999.

"1999 Health Sector Assembly"; delegate; sponsored by AMA, Johnson & Johnson, Pfizer, Amgen, Purdue Pharma; Deer Valley, Utah; October, 1999.

"Ethics of Managed Care"; lecture; conference on "Ethical Issues in Managed Care: 21st Century Challenges," sponsored by Covenant Health System and Fort Sanders School of Nursing; Knoxville, Tennessee; October, 1999.

"Doctors and Unions"; lecture; conference on "Ethical Issues in Managed Care: 21st Century Challenges," sponsored by Covenant Health System and Fort Sanders School of Nursing; Knoxville, Tennessee; October, 1999.

"Bioethics and the law: ERISA and the Challenges of Managed Care"; lecture; Twenty-First Annual National Association of Women Judges; Conference on "New Faces of Justice"; Miami, Florida; October, 1999.

"Truth or Consequences: Ethical Issues in Emergency Care"; plenary lecture; Emergency Nurses Association Scientific Assembly; Washington DC; October, 1999

"Sticks and Carrots and Baseball Bats: Economic and Other Incentives to Modify Health Behavior"; lecture; annual meeting of Southern California Public Health Association on "Making the Tough Decisions: Ethics in Public Health"; Cerritos, California; September, 1999.

"Quality of Life: Erosions and Opportunities under Managed Care"; lecture; 9th Annual Conference on "Medical Ethics for the 21st Century", sponsored by Michigan State University; East Lansing, Michigan; June, 1999.

"Perspectives on the Regulation of the Practice of Medicine"; lecture; 20th Annual Health Law Teachers Conference, sponsored by the American Society of Law, Medicine, and Ethics; St. Louis, Missouri; June, 1999.

"Managed Care: Directions in the New Millenium"; lecture; conference on "Preparing for the Millenium", TriCare Region Nine conference, sponsored by Naval Postgraduate School; San Diego, California; May, 1999.

"Emerging Issues in Managed Care"; Grand Rounds; Mercy Hospital; Pittsburgh, Pennsylvania; May, 1999.
